

Continental Vistas Activity Report – October 2024

Social Committee

Your Social Committee is once again at work with plans for the year. We look forward to seeing all of you, particularly those who are returning this fall.

- The Welcome Back dinner is scheduled for October 26th at Las Campanas. Green Valley Pizzeria 'Mario Magee' is providing the pizza. The cost will be \$10. Our flyers will be going out by the 14th with responses due on Oct 21st so we can be prepared!
- Our Holiday dinner is scheduled for December 7th, also at Las Campanas. This will be catered, and we have not decided by whom if you have a suggestion.
- Our Ladies Lunch will be held in mid-January so look for information on that after New Years.
- Once again, we will have a block of tickets for a February show at the Gaslight Theater. The information will be out in mid-January.
- When we hear back from GVR later this fall, we will let you know when our 'Goodbye' dinner will be held in March.

Unfortunately, GVR has changed the policy on social use of their facilities by homeowner's associations. We can hold our Board meetings as before since they are business. However, our social events can only be held every other month. Therefore, our afternoon socials will NOT be happening this winter. We know some streets have their own neighborhood gatherings. Perhaps more of us can do that this year.

We welcome our new residents. The Social Committee is a good way to meet more neighbors and help at fun events.

Website

As we shared in the September Activity Report the Continental Vistas Website is in the process of being revamped by a volunteer in the community. Changes are currently being reviewed and it is looking great. The Board looks forward to rolling it out soon. Stay tuned.

Upcoming Board Meeting

Our first meeting since returning from summer break is next month. Hope to see you all there.
